This proxy statement is furnished in connection with the solicitation of proxies to be used by the Board of Directors of Summit State Bank (the “Bank”) at the Annual Meeting of Shareholders of the Bank to be held at the Vintners Inn, 4350 Barnes Road, Santa Rosa, California, on Monday, July 23, 2018, at 10:30 a.m., and at any adjournments or postponements thereof (the “Meeting”).

This proxy statement and the accompanying form of proxy are being mailed to shareholders on or about June 14, 2018.

A form of proxy for voting your shares at the Meeting is enclosed. Any shareholder who executes and delivers a proxy has the right to revoke it at any time before it is voted by filing with the Secretary of the Bank an instrument revoking said proxy or a duly executed proxy bearing a later date. In addition, the powers of the proxy holders will be revoked if the person executing the proxy is present at the Meeting and advises the Chairman of his or her election to vote in person. Unless a proxy is revoked, all shares represented by a properly executed proxy received prior to the Meeting will be voted as specified by each shareholder in the proxy. If no specifications are given by a shareholder, then the proxy will be voted in accordance with the recommendations of the Board of Directors with respect to each proposal. The proxy will also authorize the proxy holders to vote in favor of a motion to adjourn the Meeting for the purpose of soliciting additional proxies and in the discretion of the proxies on such other business as may properly come before the Meeting as described below.

The proxy also confers discretionary authority to vote the shares represented thereby on any matter that was not known as of the date of this proxy statement that may properly be presented for action at the Meeting and may include action with respect to adjournments and other procedural matters pertaining to the conduct of the Meeting and election of any person to any office for which a bona fide nominee is named herein, if such nominee is unable to serve or for good cause will not serve. A proxy will not, however, be voted in favor of an adjournment for the purpose of soliciting additional proxies for any proposal on which the proxy specifies a vote “against” or “withhold.”

The enclosed proxy is being solicited by the Bank’s Board of Directors and the cost of the solicitation is being borne by the Bank. The principal solicitation of proxies is being made by mail, although additional solicitation may be made by telephone, telegraph, facsimile or personal visits by directors, officers and employees of the Bank, but they will receive no additional compensation for doing so.

Purpose of the Meeting

The Meeting is being held for the following purposes:

1. To elect 10 directors (the entire Board of Directors) to serve until the next annual meeting of shareholders and until their successors shall be elected and qualified.
2. To ratify the selection of Moss Adams LLP, independent certified public accountants, to serve as the Bank's auditors for the fiscal year ending December 31, 2018.
3. To consider and transact such other business as may properly be brought before the Meeting.

Voting Securities

Shareholders of record as of the close of business on June 4, 2018 (the "Record Date") are entitled to notice of and to vote at the Meeting. As of such date, the Bank had 6,066,475 shares of common stock outstanding.

Each shareholder of record is entitled to one vote, in person or by proxy, for each share held, on all matters to come before the Meeting, except that shareholders may have cumulative voting rights with respect to the election of directors.

Cumulative voting allows the shareholder to cast a number of votes equal to the number of directors to be elected, 10, multiplied by the number of shares held by the shareholder on the Record Date. This total number of votes may be cast for one nominee or may be distributed among as many candidates as the shareholder desires.

Pursuant to California law, no shareholder may cumulate votes for one or more Board candidates unless such candidates' names have been placed in nomination prior to the voting and the shareholder has given notice at the Meeting prior to the voting of the shareholder's intention to cumulate the shareholder's votes. If any shareholder has given such notice, all the shareholders may cumulate their votes for the candidates who have been nominated.

Discretionary authority to cumulate votes in such event is solicited in this proxy statement. The proxy holders do not, at this time, intend to give such notice or to cumulate the votes they may hold pursuant to the proxies solicited herein unless the required notice by a shareholder is given. In the event such notice is provided, the votes represented by proxies delivered pursuant to this proxy statement may be cumulated in the discretion of proxy holders, in accordance with the recommendations of the Board of Directors.

The presence at any meeting of the shareholders, in person or by proxy, of the persons entitled to vote a majority of the voting shares of the Bank shall constitute a quorum for the transaction of business. In the election of directors, the 10 candidates receiving the highest number of votes will be elected. The ratification of the selection of independent accountants requires the affirmative vote of a majority of the Bank's shares represented and voting at the Meeting.

If you hold your shares of our common stock in "street name" (that is, through a bank, broker or other agent or nominee) and you fail to instruct your bank, broker or other agent or nominee as to how to vote your shares of common stock, your bank, broker or other agent or nominee may, in its discretion, vote your shares "FOR" the ratification of the selection of

independent accountants, but may not vote in the election of directors. It is therefore important that you provide instructions to your bank, broker or other agent or nominee if your shares are held by such person, so that your vote with respect to all the proposals is counted. Broker non-votes (i.e., shares held by brokers or nominees which are represented at the Meeting but with respect to which the broker or nominee is not authorized to vote on a particular proposal) and abstentions will not be counted, except for quorum purposes.

Broker non-votes and abstentions will have no effect on the election of directors. With respect to the ratification of the selection of independent accountants, if the number of shares voted in favor constitutes a majority of the required quorum, broker non-votes and abstentions will have no effect on the matter. However, if not, broker non-votes and abstentions will have the same effect as a vote against the matter.

As of the record date, no persons are known to management to have, directly or indirectly, more than five percent of the Bank's issued and outstanding shares of common stock except as follows:

PROPOSAL 1

Election of Directors

This procedure is printed in full in the Notice of Annual Meeting of Shareholders accompanying this proxy statement. Nominations not made in accordance with the procedures may be disregarded by the Chairman of the Meeting, and upon his instructions, the Inspector of Election shall disregard all votes cast for such nominees.

Votes will be cast in such a way as to affect the election of all nominees or as many as possible under the rules of cumulative voting to the extent the proxies have discretionary authority to do so. If any nominee should become unable or unwilling to serve as a director, either (i) the proxies will be voted for such substitute nominees as shall be designated by the Board of Directors, or (ii) the number of nominees may be reduced. The Committee met three (3) times in 2017.

The Committee has a written charter, a copy of which can be found on the Bank's website at www.summitstatebank.com. In nominating candidates, the Committee takes into consideration such factors as the following: business or professional experience, judgment, skill, diversity of background and perspective, requirements of NASDAQ to maintain a minimum number of independent directors, any requirements or regulations of the FDIC, requirements of the Securities and Exchange Commission to have persons with financial expertise available to serve on the Bank's Audit Committee, and the extent to which the candidate generally would be a desirable addition to the Board and any committees of the Board.

The Bank has never engaged or paid a third party to identify or evaluate potential nominees.

Compensation Committee

The members of the Compensation Committee (the "Compensation Committee") at December 31, 2017 were John W. Wright (Committee Chairman), Jeffery B. Allen and Nicholas J. Rado. All are independent under NASDAQ listing standards. The Committee evaluates and recommends to the Board of Directors salary and other compensation for the CEO and President, and salary and other compensation for the executive officers. The Committee met 5 times in

2017. The Committee has a charter that can be found on the Bank’s website at www.summitstatebank.com.

Transactions with Related Persons

Some of the Bank’s directors and executive officers, as well as members of their immediate families and associates, are customers of, and have had banking transactions with, the Bank in the ordinary course of the Bank’s business, and the Bank expects to have such ordinary banking transactions with these persons in the future. Directors and executive officers are eligible to participate in the Bank’s Employee Loan Program, which offers preferred interest rates on primary home mortgage loans. Otherwise, in the opinion of management of the Bank, all loans and commitments to lend included in such transactions were made in the ordinary course of business on the same terms, including interest rates and collateral, as those prevailing for comparable transactions with other persons of similar creditworthiness, and do not involve more than the normal risk of collectability or present other unfavorable features. Loans to individual directors and executive officers must comply with the Bank’s lending policies and statutory lending limits. In addition, in some cases prior approval of the Bank’s Board of Directors must be obtained for such loans, as required by federal and state regulations applicable to the Bank.

Under the Bank’s Employee Home Loan Program, all employees, including executive officers, and directors are eligible to receive a 30-year mortgage loan with a rate that adjusts every 5, 7 or 10 years, at the employee’s or director’s option. The interest rate for loans that the Bank makes under the Employee Home Loan Program is the “Index H.15,” which is the weekly average yield on the United States Treasury securities adjusted to a constant maturity of 5, 7, or 10 years as made available by the Federal Reserve Board, plus .50%. The loan is fixed for the desired period and is amortized on a 30-year schedule. At the end of each fixed period the mortgage may be adjusted for an identical fixed-rate period according to the formula above. The minimum loan rate is based on the above formula. The maximum life-of-loan rate increase is 5% above the initial loan rate.

The Bank makes all loans to executive officers and directors under the Employee Home Loan Program in compliance with the applicable restrictions of Section 22(h) of the Federal Reserve Act. Messrs. Brush, Hemphill, Kelley and Rado have home mortgage loans through this program. The total of the executive officer and director loans from this program at December 31, 2017 was \$1,103,444 with balances ranging from \$131,832 to \$463,537 and interest rates ranging from 1.34% to 1.63%. The following table provides additional information for the year ended December 31, 2017:

Name	Highest balance during year		Latest balance	Principal paid during year		Interest paid during year	Interest rate		
Mr. Brush	\$	163,525	\$	131,832	\$	31,693	\$	1,976	1.34%
Mr. Hemphill	\$	373,832	\$	361,943	\$	11,889	\$	4,705	1.63%
Mr. Kelley	\$	152,078	\$	146,132	\$	5,946	\$	1,968	1.34%
Mr. Rado	\$	484,172	\$	463,537	\$	20,635	\$	6,203	1.36%

There were no other existing or proposed material transactions between the Bank and any of the Bank’s directors, executive officers, nominees for election as a director, or the immediate

family or associates of any of the foregoing persons. The Bank's Code of Conduct requires that if a situation arises that may present a potential conflict of interest, it must be reviewed and approved by the Bank's Board or by a designee of the Board. An executive officer or director who is aware of an actual or potential conflict of interest must advise the Bank's Compliance Officer, Genie Del Secco.

NASDAQ Rule 5630 requires the Bank to conduct an appropriate review of all related-party transactions for potential conflict of interest situations on an ongoing basis and all such transactions must be approved by the Bank's Audit Committee or another independent body of the Board of Directors. For purposes of the rule, the term "related party transaction" refers to transactions required to be disclosed pursuant to SEC Regulation S-K, Item 404, which includes, but is not limited to, any financial transaction, arrangement or relationship (including any indebtedness or guarantee of indebtedness) or any series of similar transactions, arrangements or relationships in which the amount involved exceeds \$120,000.

The Bank's Audit Committee Charter requires the Audit Committee to review for approval all related party transactions for potential conflict of interest situations. The Audit Committee determines whether any such transaction poses a disclosure issue or, where a director is involved, adversely impacts a director's independence, and makes an appropriate decision regarding the transaction.

Change in Control

The Board is not aware of any arrangements, including the pledge by any person of shares of the Bank, the operation of which may at a subsequent date result in a change in control of the Bank.

Executive Compensation

Compensation Discussion and Analysis

General Overview of Executive Compensation

The Bank currently has six designated executive officers, which includes the Chairman of the Board, who was designated as an executive officer for succession purposes but does not receive a salary or participate in daily management. He does receive Director fees. The executive officers responsible for daily management include the President and Chief Executive Officer ("CEO"), the Chief Financial Officer ("CFO"), the Chief Credit Officer ("CCO"), the Chief Operating Officer ("COO") and the Chief Lending Officer ("CLO"). Compensation for the executive officers consists of salary, annual bonus, stock options or stock appreciation rights ("SAR") and other normal employee benefits that are offered to all employees of the Bank. The Compensation Committee of the Board of Directors, which consists solely of outside directors, recommends to the Board of Directors the compensation of the CEO based on their evaluation of the CEO's performance and the overall performance of the Bank. Although no specific financial targets are set, factors used to assess the performance of the CEO include the accomplishment of significant projects and strategies. The Bank's performance is evaluated on factors such as financial results, operations, and audit and examination results. The Compensation Committee recommends adjustments to each officer's annual salary based on the Bank's performance and the officer's performance in his or her area of responsibility. The Compensation Committee

compares the salary range of each position to a peer group of banks and recommends salary adjustments when it deems appropriate.

The Compensation Committee recommends to the Board of Directors the annual bonus for the executive officers based on the Bank’s financial performance and significant accomplishments during the year.

The Bank has no long-term employment, termination, or retirement agreements. There are Change in Control Agreements (“Agreements”) with each of the executive officers except for the Chief Executive Officer. The Agreements allow for compensation and benefits if upon a Change in Control, as defined in the Agreements, the executive officer is terminated, or a material change is made to title, duties or compensation. The following table represents the estimated Change in Control payments at December 31, 2017 if a triggering event were to have taken place at that time, for Dennis Kelley Brandy Seppi and Brian Reed, and at January 1, 2018 for Genie Del Secco:

Change in Control Compensation

Name	Cash (\$) (1)	Benefits (\$) (2)	Total (\$)
Dennis Kelley, E.V.P. & CFO	\$ 262,462	\$ 34,372	\$ 296,834
Linda Bertauche E.V.P & COO (3)	\$ 254,159	\$ 27,308	\$ 281,467
Brandy A. Seppi, E.V.P. & CLO	\$ 260,504	\$ 21,908	\$ 282,411
Brian Reed, E.V.P. & CCO	\$ 254,985	\$ 22,611	\$ 277,596

(1) Represents estimated lump sum cash payment upon a triggering event under the Change in Control agreement based on salary and bonus compensation as of December 31, 2017.

(2) Represents benefits (health benefits, 401 (K) matching contributions and other perquisites) provided during the maximum period after the triggering event under the Change in Control agreement based on benefits provided at December 31, 2017.

(3) Ms. Bertauche's Change in Control agreement terminated at her retirement on December 31, 2017. Genie Del Secco was promoted to E.V.P. and COO and entered into a Change in Control agreement effective January 2, 2018.

On April 12, 2016, the Board of Directors revised its cash incentive bonus plan for selected executive officers and other employees. The plan is administered by the Compensation Committee. The plan may be terminated or modified by the Board at any time. Any officer or employee designated by the Compensation Committee is eligible to receive a payment under the plan.

Participating executive officers and employees are eligible for annual awards under the plan based on the Bank’s performance. Plan awards are determined based on the Bank’s performance at one of three levels: minimum, threshold, and maximum. The number of performance goals may vary each year, but there are six goals for 2018. The precise performance goal categories also may vary each year, but for 2018 the six specific performance goal categories and the weights assigned to them are:

- | | |
|--------------------------|---|
| 1) return on equity, 15% | 4) efficiency ratio, 10% |
| 2) return on assets, 20% | 5) core deposit growth, 20% |
| 3) net loan growth, 15% | 6) classified asset coverage ratio, 20% |

The executives selected for participation in 2018 are the CEO, the CFO, the COO, the CCO and the CLO. The Board of Directors may change any and all features of the plan at any time.

The total potential award pool is a fixed dollar amount established by the Board, with the recommendation of the Compensation Committee. For 2018, the maximum potential incentive bonus for each participating executive is one half of his or her base salary, the bonus pool for threshold performance is \$300,000, and for performance below threshold cash incentives are entirely within the discretion of the Board, which may allocate among participating executives a total cash incentive pool of up to \$125,000, but only if earnings for the year exceed that amount.

The Board has established performance benchmarks for minimum, threshold and maximum performance. It is not necessary to achieve threshold performance or better in all performance categories in order to receive a cash incentive award. With the input of the Compensation Committee, the Board of Directors also has discretion to make cash incentive awards based on the Board's subjective assessment of an executive's or other employee's performance.

For purposes of calculating bonuses and evaluating actual performance in the performance goal categories, the Compensation Committee has discretion to make adjustments to exclude any single, nonrecurring event that results in either a 10% increase or 10% decrease in the calculated performance, as well as the discretion to make adjustments to account for significant or material events.

Awards under the cash incentive bonus plan for the fiscal year 2017 were \$275,000, which was comprised of \$275,000 awarded for meeting certain threshold measures and nothing awarded under the discretionary provisions.

The Bank has a 2013 Equity Incentive Plan approved by shareholders that permits the grant of stock options to employees for up to 187,500 shares of common stock. Option awards are generally granted with an exercise price equal to the market price of the Bank's common stock at the date of grant; those option awards have vesting periods of 5 years unless otherwise approved by the Board of Directors and have 10-year contractual terms. As of December 31, 2017, 187,500 shares available for future grants under the 2013 Equity Incentive Plan.

In December 2017, the Bank granted Stock Appreciation Rights (SARs) to the CLO and the CCO pursuant to a Stock Appreciation Rights Agreement with each executive. The SAR agreements provide for a form of contingent cash bonus arrangement and is independent of, and is not an award under, the Bank's 2013 Equity Incentive Plan. The SARs settle in cash only and provide incentive compensation equal to the difference between the market price of the Bank's common stock at the date of exercise by the executive officer and the market price when the SARs were granted. The two executive officers each received SARs based on 10,000 shares of the Bank's common stock with a vesting schedule of 20% on each anniversary of the grant date. The exercise price per share is \$12.50. The final term for exercise is ten years from the grant date.

The Bank does not believe that any of its compensation policies or practices is reasonably likely to have a material adverse effect on it as such policies and practices related to risk-management practices and risk-taking incentives.

The following information is furnished with respect to the Executive Officers of the Bank whose aggregate compensation during 2017 exceeded \$100,000 (the “named executive officers”).

PROPOSAL 2

Ratification of Selection of Independent Public Accountants

At the 2018 Annual Meeting of Shareholders, the following resolution will be subject to ratification by a simple majority vote of the shares represented at the Meeting:

“Resolved, that the selection of Moss Adams LLP as the independent certified public accountants of Summit State Bank for the fiscal year ending December 31, 2018 is hereby ratified.”

If ratification is not achieved, the selection of an independent certified public accountant will be reconsidered and made by the Audit Committee. Even if the selection is ratified, the Audit Committee reserves the right and, in its discretion, may direct the appointment of any other independent certified public accounting firm at any time if the Audit Committee decides that such a change would be in the best interests of the Bank and its shareholders. Representatives of Moss Adams LLP (“Moss Adams”) are expected to attend the annual meeting and to have the opportunity to make a statement if they desire to do so.

Moss Adams served as the Bank’s independent certified public accountants during the fiscal years ended December 31, 2017, 2016, 2015, 2014, 2013 and 2012. The services provided by Moss Adams include the examination and reporting of the financial status of the Bank.

The table following sets forth information regarding the fees incurred for professional services provided by Moss Adams for the fiscal years ended December 31, 2017 and 2016.

<u>Service</u>	Fees for period ended <u>December 31, 2017</u>	Fees for period ended <u>December 31, 2016</u>
Audit Fees	\$144,200	\$141,500
Audit Related Fees	-	-
Tax Fees	\$17,400	\$16,000
All Other Fees	-	-

All services of the independent accountants are approved by the Audit Committee.

The Bank’s Audit Committee has considered whether Moss Adams’ provision of the services described above under the captions “Audited Related Fees,” “Tax Fees” and “All Other Fees” is compatible with maintaining the independence of Moss Adams and believes that such services provided by Moss Adams are compatible with maintaining the auditor’s independence. To the best of the Bank’s knowledge, none of the time devoted by Moss Adams on its engagement to audit the Bank’s financial statements for the year ended December 31, 2017 is attributable to work performed by persons other than full-time, permanent employees of Moss Adams.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends that shareholders vote “FOR” the ratification of the selection of Moss Adams as the Bank’s auditors for the fiscal year ending December 31, 2018.
