This proxy statement is furnished in connection with the solicitation of proxies to be used by the Board of Directors of Summit State Bank (the “Bank”) at the Annual Meeting of Shareholders of the Bank to be held at the Fountaingrove Inn, 101 Fountaingrove Parkway, Santa Rosa, California, on Monday, June 22, 2015, at 10:30 a.m., and at any adjournments or postponements thereof (the “Meeting”).

This Proxy Statement and the accompanying form of proxy are being mailed to shareholders on or about May 15, 2015.

A form of proxy for voting your shares at the Meeting is enclosed. Any shareholder who executes and delivers a proxy has the right to revoke it at any time before it is voted by filing with the Secretary of the Bank an instrument revoking said proxy or a duly executed proxy bearing a later date. In addition, the powers of the proxy holders will be revoked if the person executing the proxy is present at the Meeting and advises the Chairman of his or her election to vote in person. Unless a proxy is revoked, all shares represented by a properly executed proxy received prior to the Meeting will be voted as specified by each shareholder in the proxy. If no specifications are given by a shareholder, then the proxy will be voted in accordance with the recommendations of the Board of Directors with respect to each proposal. The proxy will also authorize the proxy holders to vote in favor of a motion to adjourn the Meeting for the purpose of soliciting additional proxies and in the discretion of the proxies on such other business as may properly come before the Meeting as described below.

The proxy also confers discretionary authority to vote the shares represented thereby on any matter that was not known as of the date of this Proxy Statement that may properly be presented for action at the Meeting and may include action with respect to adjournments and other procedural matters pertaining to the conduct of the Meeting and election of any person to any office for which a bona fide nominee is named herein, if such nominee is unable to serve or for good cause will not serve. A proxy will not, however, be voted in favor of an adjournment for the purpose of soliciting additional proxies for any proposal on which the proxy specifies a vote “against” or “withhold.”

The enclosed proxy is being solicited by the Bank’s Board of Directors and the cost of the solicitation is being borne by the Bank. The principal solicitation of proxies is being made by mail, although additional solicitation may be made by telephone, telegraph, facsimile or personal visits by directors, officers and employees of the Bank.

Purpose of the Meeting

The Meeting is being held for the following purposes:

1. To elect 12 directors (the entire Board of Directors) to serve until the next annual meeting of shareholders and until their successors shall be elected and qualified.
2. To ratify the selection of Moss Adams LLP, independent certified public accountants, to serve as the Bank's auditors for the fiscal year ending December 31, 2015.
3. To consider and transact such other business as may properly be brought before the meeting.

Voting Securities

Shareholders of record as of the close of business on May 5, 2015 (the "Record Date") are entitled to notice of and to vote at the Meeting. As of such date, the Bank had 4,782,770 shares of common stock outstanding.

Each shareholder of record is entitled to one vote, in person or by proxy, for each share held on all matters to come before the Meeting, except that shareholders may have cumulative voting rights with respect to the election of directors.

Cumulative voting allows the shareholder to cast a number of votes equal to the number of directors to be elected, 12, multiplied by the number of votes held by the shareholder on the Record Date. This total number of votes may be cast for one nominee or may be distributed among as many candidates as the shareholder desires.

Pursuant to California law, no shareholder may cumulate votes for a candidate unless such candidate or candidates' name have been placed in nomination prior to the voting and the shareholder has given notice at the Meeting prior to the voting of the shareholder's intention to cumulate the shareholder's votes. If any shareholder has given such notice, all the shareholders may cumulate their votes for the candidates who have been nominated.

Discretionary authority to cumulate votes in such event is solicited in this Proxy Statement. The proxy holders do not, at this time, intend to give such notice or to cumulate the votes they may hold pursuant to the proxies solicited herein unless the required notice by a shareholder is given. In the event such notice is provided, the votes represented by proxies delivered pursuant to this Proxy Statement may be cumulated in the discretion of proxy holders, in accordance with the recommendations of the Board of Directors.

In the election of directors, the 12 candidates receiving the highest number of votes will be elected. The ratification of the selection of independent accountants requires the affirmative vote of a majority of the Bank's shares represented and voting at the Meeting. Broker non-votes (i.e., shares held by brokers or nominees which are represented at the Meeting but with respect to which the broker or nominee is not authorized to vote on a particular proposal) and abstentions will not be counted, except for quorum purposes.

Broker non-votes and abstentions will have no effect on the election of directors. With respect to the ratification of the selection of independent accountants, if the number of shares voted in favor constitutes a majority of the required quorum, broker non-votes and abstentions will have no effect on the matter. However, if not, broker non-votes and abstentions will have the same effect as a vote against the matter because they effectively decrease the number of shares which could have voted for the proposal and might therefore have the effect of causing the proposal not to be approved.

Principal Shareholders

As of the record date, no persons are known to management to have, directly or indirectly, more than five percent of the Bank's issued and outstanding shares of common stock except as follows:

Section 16(a) Beneficial Ownership Reporting Compliance

To the Bank's knowledge and based solely on a review of the copies of reports furnished to the Bank and written representations that no other reports were required, during the fiscal year ended December 31, 2014, all Section 16(a) filing requirements were filed timely by the Bank's officers and directors.

PROPOSAL 1

Election of Directors

The Bylaws of the Bank provide the procedure for nomination and election of the Board of Directors. This procedure is printed in full in the Notice of Annual Meeting of Shareholders accompanying this Proxy Statement. Nominations not made in accordance with the procedures may be disregarded by the Chairman of the Meeting, and upon his instructions, the Inspector of Election shall disregard all votes cast for such nominees.

Votes will be cast in such a way as to effect the election of all nominees or as many as possible under the rules of cumulative voting to the extent the proxies have discretionary authority to do so. If any nominee should become unable or unwilling to serve as a director, either (i) the proxies will be voted for such substitute nominees as shall be designated by the Board of Directors, or (ii) the number of nominees may be reduced. The Board of Directors

The Committee will identify and review candidates for the Board of Directors and review the appropriate skills and characteristics required of Board members, in consultation with the Chairman and Chief Executive Officer, and recommends director nominees to the Board. The Committee will also consider and evaluate director nominees proposed by shareholders. The Nominating Committee met one time in 2014.

The Committee has a written charter, a copy of which can be found on the Bank's website at www.summitstatebank.com. In nominating candidates, the Committee takes into consideration such factors as the following: business or professional experience, judgment, skill, diversity of background and perspective, requirements of NASDAQ to maintain a minimum number of independent directors, any requirements or regulations of the FDIC, requirements of the Securities and Exchange Commission to have persons with financial expertise available to serve on the Bank's audit committee, and the extent to which the candidate generally would be a desirable addition to the Board and any committees of the Board.

Compensation and Corporate Governance Committee

The members of the Compensation and Corporate Governance Committee (the "Compensation Committee") at December 31, 2014 were Allan J. Hemphill (Committee Chairman) and Marshall T. Reynolds. All are independent under NASDAQ listing standards. The Committee evaluates and recommends to the Board of Directors salary and other compensation for the CEO and President and bonuses for the executive officers. The Committee also develops and recommends to the Board a set of corporate governance principles applicable to the Bank. The Committee oversees the evaluation of the Board and management and evaluates the effectiveness of Board meetings and makes recommendations for improvement. The Committee met one time in 2014. The Committee has a charter that can be found on the Bank's website at www.summitstatebank.com.

Transactions with Related Persons

Some of the Bank's directors and executive officers, as well as members of their immediate families and associates, are customers of, and have had banking transactions with, the Bank in the ordinary course of the Bank's business, and the Bank expects to have such ordinary banking transactions with these persons in the future. Directors and executive officers are eligible to participate in the Bank's employee loan program, which offers preferred interest rates on primary home mortgage loans. Otherwise, in the opinion of management of the Bank, all

loans and commitments to lend included in such transactions were made in the ordinary course of business on the same terms, including interest rates and collateral, as those prevailing for comparable transactions with other persons of similar creditworthiness, and do not involve more than the normal risk of collectability or present other unfavorable features. While the Bank does not have any limits on the aggregate amount it may lend to directors and executive officers as a group, loans to individual directors and executive officers must comply with the Bank's lending policies and statutory lending limits. In addition, in some cases prior approval of the Bank's Board of Directors must be obtained for such loans, as required by federal and state regulations applicable to the Bank.

The Bank has an Employee Home Loan Program, where all employees, including executive officers and directors, are eligible to receive mortgage loans with a 30-year loan with the rate adjusted every 5, 7 or 10 years, at the employee's choosing. The loan rate will be pursuant to the "Index H.15" which is the weekly average yield on the United States Treasury securities adjusted to a constant maturity of 5, 7, or 10 years as made available by the Federal Reserve Board plus .50%. The loan will be fixed for the desired period and will be amortized on a 30 year schedule. At the end of each fixed period the mortgage may be adjusted for an identical fixed rate period according to the formula above. The minimum loan rate will be based on the above formula. The maximum life of loan rate increase will be 5% above the initial loan rate.

Prior to 2014, the Employee Home Loan Program granted mortgage loans with interest rates set at .50% above the index of the one year U.S. Treasury bill rate. The loans are adjustable rate with a 5% over the initial rate adjustment ceiling, adjusting annually a maximum 1%.

The Bank makes all loans to executive officers and directors under the Employee Home Loan Program in compliance with the applicable restrictions of Section 22(h) of the Federal Reserve Act. Messrs. Brush, Duryea, Hemphill, Kelley and Rado have home mortgage loans through this Program. The total of the executive officer and director loans from this program at December 31, 2014 was \$1,950,131 with balances ranging from \$164,361 to \$672,060 and interest rates ranging from .60% to .62%.

In 2014 there were no other existing or proposed material transactions between the Bank and any of the Bank's directors, executive officers, nominees for election as a director, or the immediate family or associates of any of the foregoing persons. The Bank's Code of Conduct requires that if a situation arises that may present a potential conflict of interest, it must be reviewed and approved by the Bank's Board or by a designee of the Board. An executive officer or director who is aware of an actual or potential conflict of interest must advise the Bank's Compliance Officer, Linda Bertauche.

NASDAQ Rule 5630 requires the Bank to conduct an appropriate review of all related party transactions for potential conflict of interest situations on an ongoing basis and all such transactions must be approved by the Bank's audit committee or another independent body of the Board of Directors. For purposes of the rule, the term "related party transaction" refers to transactions required to be disclosed pursuant to SEC Regulation S-K, Item 404 which includes, but is not limited to, any financial transaction, arrangement or relationship (including any indebtedness or guarantee of indebtedness) or any series of similar transactions, arrangements or relationships.

The Bank's Audit Committee Charter requires the Audit Committee to review for approval all related party transactions for potential conflict of interest situations. The Audit Committee determines whether any such transaction poses a disclosure issue or, where a director is involved, adversely impacts a director's independence and makes an appropriate decision regarding the transaction.

Change in Control

The Board is not aware of any arrangements, including the pledge by any person of shares of the Bank, the operation of which may at a subsequent date result in a change in control of the Bank.

Executive Compensation

Compensation Discussion and Analysis

General Overview of Executive Compensation

The Bank currently has five designated executive officers, which include the Chairman of the Board who was designated as an executive officer for succession purposes but does not receive a salary or participate in daily management. The executive officers responsible for daily management include the President and Chief Executive Officer ("CEO"), the Chief Financial Officer ("CFO"), the Chief Credit Officer ("CCO"), and the Chief Operating Officer ("COO"). Compensation for the executive officers consists of salary, annual bonus, stock options and other normal employee benefits that are offered to all employees of the Bank. The Compensation Committee of the Board of Directors, which consists solely of outside directors, recommends to the Board of Directors the compensation of the CEO based on their evaluation of the individual's performance and the overall performance of the Bank. Although no specific financial targets are set, factors used to assess the performance of the individual include the accomplishment of significant projects and strategies. The Bank's performance is evaluated on factors such as financial results, operations, and regulatory examination results. The CEO recommends to the Compensation Committee the compensation of the CFO, CCO, and COO. Annual salary is adjusted based on the Bank's performance and the performance of duties with respect to the officer's area of responsibility. The salary range of each position is compared to a peer group of banks in California and adjustment to salary is made when deemed appropriate.

The Compensation Committee recommends to the Board of Directors the annual bonus for the executive officers based on the Bank's financial performance and significant accomplishments during the year.

The Bank has no long-term employment, termination, or retirement agreements. There are Change in Control Agreements ("Agreements") with each of the executive officers. The Agreements allow for compensation and benefits if upon a Change in Control, as defined in the Agreements, the executive officer is terminated or a material change is made to title, duties or compensation. The following table represents the estimated Change in Control payments at December 31, 2014 if a triggering event were to have taken place at that time:

Change in Control Compensation

Linda Bertauche, S.V.P. & COO	\$ 195,667	\$ 25,740	\$ 221,407

(2) Represents benefits (health benefits, 401 K matching contributions and other perquisites) provided during the maximum period after the triggering event under the Change in Control agreement based on benefits provided at December 31, 2014.

The Bank does not believe that any of its compensation policies or practices is reasonably likely to have a material adverse effect on it as such policies and practices related to risk-management practices and risk-taking incentives.

The following information is furnished with respect to the Executive Officers of the Bank whose aggregate compensation during 2014 exceeded \$100,000 (the “named executive officers”).
